Dear Parents

Greetings from RIS!

Holidays are time when you can connect with your child in many ways. As parents are the first and the most important teacher for a child, we can encourage our child to participate in many educational activities at home and promote his/her quest to learn. Working together will not only help your child to build, learn and develop his/her skills but also strengthen your bond with him/her.

General Instructions

Instructions for students:-

- ❖ Try to do your vacation work by yourself.
- ❖ Use separate sheets/notebooks for each subject.
- ❖ Writing should be neat and legible.
- ❖ Do the work under the guidance of your parents and guardians.
- ❖ Do the work mentioning the date & day.
- ❖ Try to do your written work regularly to enhance your writing.
- ❖ Take care of your health.

Instructions for Parents:-

- ❖ Holiday homework has to be done under the parental guidance.
- ❖ Kindly ensure that the work is complete and sent on the first day after the summer break for assessment and evaluation.
- ❖ Make your ward read resource books.
- ❖ Fix up a time table for your ward to organize his/her daily routine like, watching television, playing with friends, studying etc.
- ❖ Make your child responsible by assigning some of the household responsibilities to him/her like, watering plants, arranging the dining table, organizing his/her room and cupboards, etc.

Above mentioned guidelines will help your child to become a smart and an active learner.

Thank you all for your continued support. We look forward to welcoming our students in July.
